ABSTRACT

Rationing-Establishments-Scale and composition of ration-Orders-Passed.

Food and Agriculture Department

G.O.Ms.No.1559 Dated 14th August, 1950

Read the following:

Government Memo.No.46059 B/50 ~~d~~ Food and Agriculture dated 9.8.50.

ORDER:

In continuation ~~f~~ of the memorandum cited the Government direct that the scale and composition of ration to establishments other than hostels shall be as follows with effect from 20.8.50.

Rice 2½ ozs.		
Wheat 2½ ozs.		per meal.
Semolina 1 oz.		

Semolina should be issued compulsorily if it is available. If it is not available wheat may be issued in lieu of semolina, but wheat need not be compulsorily issued.

2. Ref. Board's No.98382 A3/50-1 dated 18.7.50, the Board of Revenue (C.S.) is informed that the Government have decided that Collectors should be given full discretion in regard to the composition of rations, to be issued in rural areas, which are not under statutory rationing. But whenver the rice ~~xxxx~~ content is reduced, the reduction in the overall ration should be made good by the ~~xxx~~ supply of wheat or millets. The Board of Revenue (C.S.) is requested to issue necessary instructions to Collectors accordingly.

Copy of Ref.No.114637 Y.1/50 of the Board of Revenue, (Civil Supplies) Madras, dated 18th August, 1950.

Sub: Rationing-Statutory and Rural-Scale and composition of rations-Meals Hotels etc and Cardholders-Rice Content-Reduction of-Ordered.

Ref: B.P.Rt.No.1177/50 dated 10.8.50.
G.O.No.Ms.1559 Food and Agriculture dated 14.8.50.

In partial modification of the orders issued in paragraph 3 of its Proceedings first cited, the Board with the concurrence of the Government directs that the following a scale and composition of rations shall be followed in the case of Meals hotels, registered ~~eating~~ lodging houses etc other than hostels from 20.8.50.

Rice	2½ oz.	per meal.
Wheat	2½ Oz.	
Semolina	1 Oz	

Note: Semolina should be issued compulsorily if it is available. If it is not available wheat may be issued in lieu of Semolina, but wheat need not be compulsorily issued.

2. In regard to the scale and composition of rations in the statutorily rationed areas all Collectors and Rationing Officers should see that the scale and composition fixed in the Board's Proceedings first cited are strictly followed. In the case of rural areas the Collectors should see that the overall ration is not reduced on any account. But the composition may be changed by the Collectors at their discretion based on the stock position. But whenever there is a reduction in the rice content, the reduction in the overall ration should be made good by supplying wheat or millets. The Collectors should however intimate to the Board whenever a change in the composition of the rations in the rural areas of their districts is ordered.
